Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative communicated to the Examiner the request for a more complex Office Action, in particular, how the references of the rejections specifically address the individual limitations of claims 4, 6, 12, 16, and 24-25. Additionally, the Applicant's representative also requested that the Office Action specifically address arguments presented by the Applicant against the Examiner's continued reliance upon the primary Jeon reference which the Office Action of 9/19/07 didn't address, since the incorporation of the Prakasam reference represented a new grounds of rejection. The Examiner agreed to re-issue a subsequent Office Action that would resolve these outstanding issues, and restart the period of response based on the mailing date of the forthcoming Office Action .
